DEDICATION

Leon Peters
Graphic Artist

Leon Peters is the irreplaceable man behind the 1985 yearbook. Over the past year Leon has faced the responsibility of solving the many hardships on the road to completing our book of memories. But, his valuable time is not only focused on yearbook activities.

Leon is the creator of much of the artistic work scattered on bulletin boards throughout this campus. He has been the graphic artist for North Adams, State College for almost 14 years. But his talent reaches far beyond his aesthetic ability.

Leon's warm personality makes him a pleasure to work with and know. His busy office, located on the bottom floor of the Mark Hopkins School, is home to many students interested in his work, members of the yearbook staff or those who simply want to chat.

For all the time and effort you have extended to our class as a whole and to each of us individually we would like to say, "Thank-You", by dedicating the 1985 yearbook to you, Leon Peters.

"I'm so glad we had this time together
Just to have a laugh or sing a song
Seems we just get started and before you know it
Comes a time we have to say so long.

There's a time you put aside for dreamin'
And a time for things you have to do
But the time I like the best is any evenin'
I can spend a moment here with you.

When the time comes and I'm feeling lonely
When I'm feeling oh so blue
I just sit back and think of you only
And the happiness still comes thru.

That's why, I'm so glad we had this time together
Just to have a laugh or sing a song
Seems we just get started and before you know it
Comes a time we have to say so long."

PARENTS WEEKEND

NASC

19 PARENTS WEEKEND 84

THE SHADOW BOX

The Shadow Box was presented as a memorial to former N.A.S.C. Acting President Raymond Sullivan, local author R.G. Viliet, and former English professor Joseph Mansfield. The play was performed to sold out audiences for its short, four night run. The diverse cast was awarded with standing ovations after every performance.

THE TAMING OF THE SHREW

October 25 - 27 and November 1 - 4

The Shrew was NASC's major fall production. The large-cast show was a big success and audiences were so demanding that the production was held over for an extra performance. The show featured music, dance, acrobatics, spectacle, and slap-stick farce. "A rollicking comedy for people who thought they didn't like Shakespeare!"

ROAD RACE

Students, professionals, cross country teams, teachers and townspeople were few of the entrants that participated in the seventh annual Student Government Association road race. All proceeds from the event benefited, "A Child's Wish Come True Inc." Over 100 runners participated in the race which raised almost $2000 in donations. It was a worthwhile event for all involved.

BLOOD DRIVE NOVEMBER 1, 1984 & MARCH 12-13, 1985

Through a combination of efforts from the fraternities and sororities, the campus center council and the American Red Cross the campus community managed to collect almost 400 pints of blood. The Campus Center Council, who sponsored the event, was very pleased with the outcome. It was a great showing from the college and the surrounding community.

INAUGURATION

On October 19, 1985, Dr. Catherine A. Tisinger made history when she was inaugurated as the ninth president of N.A.S.C. and the first woman president of the Massachusettes State College system. The inauguration was the highlight of a week long series of cultural and academic activities. These activities were open to students, faculty, administration and the community. The inaugural celebration showed a spirit of cooperation between the college, the community and the Massachusettes State College System.

WINTER STUDY

This years winter study program involved a lot of changes. Mega-courses, a fee increase and a shorter calendar were all introduced. The 1920's dance was another new event which was a big hit. But those old stand-by's, of Thursday night International dinners, skiing, mixology class and afternoon lectures, remained. It was great fun for all involved.

CABARET APRIL 18 - 20 & 25 - 27

North Adams State College's spring production of Cabaret was sold out for every performance. This production, which featured expert stage design and exceptional acting, was a big hit. Bravo, to all those who participated.

Approximately 500 students gathered to express their opposition to proposed financial aid cuts. Nine speakers, including President Tisinger and SGA President Peter Rene, were present. At the conclusion of the rally students signed petitions and nearly 1800 letters in protest were mailed to Massachusetts senators and congressmen. This rally demonstrated that NASC students truly care about the future of their education.

PI UPSILON PI

1984-85 was a banner year for the Pi Upsilon Pi fraternity. Led by President Greg Morrison, Vice-President Scott Ryder, Treasurer Mike Greenleaf, and Secretary Mike Gagel, the Pines put together a number of successful events. Early season parties at the old "house" were the most memorable of the Fall Semester. In December, the Pines held their first alumni weekend in celebration of the fraternity's fourth anniversary.

With much assistance from Pi Upsilon Omega, the Pines were able to raise nearly $3000 for Cystic Fibrosis in April. Beginning on Friday, April 12 with a cross-state run to Boston and ending Saturday April 13 with the CF dance. The weekend, dedicated to CF, is the busiest and most rewarding of the calendar year.

PI UPSILON OMEGA

I cannot know what I will find
Now as I leave today behind.
I cannot know what paths I'll take,
What choices I will have to make,
The friends I'll meet, the sights I'll see,
The chances that may come to me.
I only know I want to try
To travel far and reach up high,
To open every beckoning door,
To do things never done before.
I only know I want to give
My best . . . my all . . . each day I live.

Beta Lambda Sorority consists of a small group of women formed in 1975 to promote friendship and sisterhood. During the 1984-85 academic year the sorority held a dance in Venable Gym to raise money for the "Child's Wish Come True" organization to benefit a terminally ill child. They had a successful pledge group in the fall taking the spring semester to establish their new sisters and prepare for the fall rush. Beta Lambda sorority also became intermural floor hockey champions in the spring of 1985.
